AT LAST YOU CAN REALLY FLY!

AMSTRAD
464,664
and 6128

Your AWAT (All Weather-All Terrain) jet stands fully fuelled and fully armed. A vast invasion fleet is anchored just off your shores. Ground forces have come ashore and are advancing on your positions protected by massive air cover.

You are the last fighter pilot. Your country turns to you and asks . . . *"Are you good enough to be called an* ***ACE?****"*

Featuring tanks, helicopters, hills, trees, ships and a totally unique refuelling sequence **ACE** is the *fastest*, most exciting air combat game available. With twin flying mode (optional) you can fly and fight with your friend as weapons man.

ACE — THERE IS NO OTHER GAME LIKE IT!
